### **2013 Domaine Robert Chevillon**

The eagerly awaited 2013 Red Burgundy from Domaine Robert Chevillon has arrived. These wines are very impressive, if not spectacular.

2013 is a vintage of *terroir*; the best examples are pure, transparent and utterly mesmerising. The 2013's in the hands of Chevillon are textbook examples of the vintage and of the appellation. The wines we've tasted to date scream of their respective *terroir*'s, of Nuits-St.-George and above all, are absolutely delicious. Due to their youthful expressiveness and velvety textures, the wines are deceptively approachable in their youth. That said, each wine possesses a fine thread of tannin (more obvious in the 1er Cru's) and a pronounced mineral character that will ensure these wines are incredibly long-lived. The 2013's from Chevillon are not to be missed!

As you may expect with a vintage such as 2013 and a producer such as Chevillon, stocks of all wines are very limited. Hence, those who purchase multiple wines in the range will be given preference. If you have any questions or require any assistance with your selections, please call Stuart or Nick on (03) 9419 6990 or email [stuart@mwwines.com.au](mailto:stuart@mwwines.com.au).

### **The Wines**

#### **2013 Bourgogne Rouge**

**\$63 per Bottle**

*"This is really quite pretty with its airy nose of both red and dark berries, earth and subtle underbrush hints that are more elegant than the components sound. There is an attractive vibrancy and volume to the rich and delicious flavours that possess fine depth and even better length in a package that should drink well immediately. Recommended. Outstanding, top value. 86-89 Points/Drink 2016+" – Allen Meadows, Burghound*

#### **2013 Nuits-St.-George Vieilles Vignes**

**\$110 per Bottle**

*"Here the expressive nose is more deeply pitched with more earth and humus character adding depth to the very fresh nose of dark currant aromas. There is good verve and delineation to the medium-bodied flavors that possess a seductive mouth feel thanks to the velvety and persistent finish. Lovely stuff that will be approachable young if desired. 87-90 Points/Drink 2018+" – Allen Meadows, Burghound*

#### **2013 Nuits-St.-George 1er Cru 'Bousselots'**

**\$140 per Bottle**

*"This too displays enough wood to mention but not so much as to fight with the more elegant if less spicy dark berry fruit, earth and vaguely gamy aromas. This is notably rich with fine volume on the medium-bodied flavors that exude an appealing minerality that adds to the sense of vibrancy, particularly on the linear and well-balanced finale. This will need a few years of bottle age as it's presently quite compact though not hard or austere. 90-92 points/Drink 2021+" – Allen Meadows, Burghound*

#### **2013 Nuits-St.-George 1er Cru 'Roncieres'**

**\$140 per Bottle**

*"A softly spicy nose offers up notes of plum, black currant and discreet warm earth hints. Like the Chaignots the medium weight flavors are juicy and succulent with plenty of volume and mid-palate density before terminating in a palate coating finish that is balanced and sweet in the best sense of the term. 90-92 Points/Drink 2020+" – Allen Meadows, Burghound*

### **2013 Nuits-St.-George 1er Cru 'Perrieres'**

**\$164 per Bottle**

*"A relatively high-toned, elegant and cool nose features notes of red berry fruit aromas that include cherry, raspberry and pomegranate along with hints of spice and sandalwood. The impression of elegance is reinforced by the refined middle weight flavors thanks to the sleek tannins and abundant minerality that continues onto the vibrant and ever-so-slightly austere finish. This is textbook Perrières, which is to say an understated and harmonious wine built on its minerality. 89-92 Points/Drink 2021+"*  
– Allen Meadows, Burghound

### **2013 Nuits-St.-George 1er Cru 'Les Cailles'**

**\$199 per Bottle**

*"A subtle if not invisible application of wood sets off the spicy, elegant and ultra-pure nose of layered red currant, cherry, violet and warm earth aromas. The delicious, concentrated and sleekly muscular flavors possess outstanding mid-palate concentration before terminating in a balanced and strikingly long finish. The old vine sap is very much in evidence as it pushes the otherwise firm tannins to the background and imparts a velvety feel. This should be terrific in time. Sweet spot, outstanding! 91-94 Points/Drink 2025+"* – Allen Meadows, Burghound

### **2013 Nuits-St.-George 1er Cru 'Les Vaucrains'**

**\$199 per Bottle**

*"Here too there is enough wood to notice on the notably ripe and fresh aromas of black cherry, plum, pungent earth and abundant sauvage scents. The big, rich and full-bodied flavors possess an overt muscularity along with plenty of power on the extract-rich, intense and very firmly structured finale. As it always is this is rustic and austere and will need a minimum of 10 years to arrive at its peak but 15 will be better. The domaine almost never misses with this wine and the 2013 is potentially great. Don't miss outstanding! 92-95 Points/Drink 2028+"* – Allen Meadows, Burghound

### **2013 Nuits-St.-George 1er Cru 'Les St.-Georges'**

**\$269 per Bottle**

*"The wood is somewhat more in evidence though again it's not so much as to really compete with the plum, black cherry, dark currant and pungent earth-suffused aromas. This also possesses genuinely excellent volume and power as the broad-shouldered flavors possess both fine richness and seriously good mid-palate density on the mineral-inflected and palate coating finish. This has just a bit more acidity than the Les Cailles and it adds to the sense of vibrancy. Sweet spot, outstanding! 92-94 Points/Drink 2025+"* – Allen Meadows, Burghound
