2009 Burgundy Offer – Domaine Jean Grivot

Dear valued customer

We are delighted to be able to offer you all the opportunity to acquire the 2009 red Burgundies from one of Burgundy's most revered and sought-after producers, Domaine Jean Grivot. As Burghound's scores will attest to, Grivot has produced simply stunning wines in 2009. In several cases, the Grivot wines have attained Burghound's highest scores for their individual appellations.

Per Burghound Issue 45: Etienne Grivot describes 2009 as the kind of ripe vintage where "I really wanted to preserve the purity and freshness of my wines. As long as you didn't over extract during the vinification, you were going to obtain a suave mouth feel but I wanted wines of finesse as well because in the end, you need to be able to drink and enjoy the wines, not just be impressed by how rich they are. I elected to begin picking on the 16th of September under perfect conditions and brought fully mature fruit with good sugars and very ripe phenolics. The vinification was easy as the colors, and structure, came quickly. I decided to reduce the wood toast to even lower levels and I am happy that I did. Overall, the 2009s are very generous but with energy, minerality and finesse. But best of all, they are very well balanced, which will enable them to offer a lot of pleasure when young but age extremely well too if the customer desires it."

From Clive Coates' The Wines of Burgundy: "Run by Etienne Grivot and his charming wife Marielle, this is one of the great domaines of Burgundy. Everything is done in the vineyard with respect for the quality and life of the soil. Though not biodynamic, the viticulture is as natural as possible, involving the Plocher energy system of bringing life into the environment.....The wines have been quite brilliant here since a brief flirtation with the theories of Guy Accad in the 1980s" 3 Star Domaine (the highest possible rating)

All wines are 750ml bottles unless otherwise noted and available immediately. All stocks are extremely limited – in the case of the Premier Crus, we only have 3 bottles of each wine. If necessary, wines in high demand may be subject to scaling back of orders to allocate the wines fairly.

Should you wish to enquire about any of these wines, please call Nick or Daniel on (03) 9419 6990, or email nick@mwwines.com.au or daniel@mwwines.com.au.

Finally, we have provided tasting notes and scores (where available) from Burghound, the most respected Burgundy reviewer globally, to help guide your purchasing decisions. Burghound's scoring system is much more conservative than other reviewers, with guidelines as follows:

95 – 100: Truly incomparable and emotionally thrilling. A wine so rated is as good as Burgundy gets. By definition, it is reference standard for its *appellation*.

90 – 94: Outstanding. Worth a special effort to purchase and cellar and will provide memorable drinking experiences.

85 – 89: Good to High quality. Burgundies that offer solid quality in every respect and generally very good typicity. "Good Value" wines will often fall into this category. Worth your attention.

80 – 84: Average to Good quality. The wine is "correct", displays no noticeable flaws and will provide pleasing, if straightforward, drinking.

76 – 79: Barely Acceptable quality. The wine is not worth your attention nor is it a good value.

75 and Below: Don't Bother. A wine with noticeable, irremediable flaws.

Domaine Jean Grivot

2009 Vosne Romanee

\$95 per bottle

A very Vosne nose is both seductive and highly spiced as are the very suave, round and fleshy middle weight flavors that culminate in a detailed, intense and mineral-inflected finish that, despite the richness of the mid-palate, is actually linear in shape at the present. This is really quite a nice villages and worth considering. 89 Points, Drink 2017+. Burghound

2009 Vosne Romanee 1er Cru 'Aux Brulees'

\$219 per bottle

A strikingly spicy, ripe and quite densely fruited nose speaks of earth, smoke, red currant liqueur and black berries while sliding gracefully into rich, generous and sappy medium weight flavors that possess a beguiling mouth feel on the impressively intense and long finish. This is relatively robust with good muscle and verve and should make for a stunning wine in 10 to 12 years. 92-94 Points, Drink 2019+. Burghound

2009 Vosne Romanee 1er Cru 'Les Beaux Monts'

\$219 per bottle

This is notably more elegant and much cooler with a distinctly more classic Vosne nose that features a wonderful array of spice notes to the fresh and highly refined mostly black pinot fruit suffused aromas. The detailed, pure and energetic flavors possess an effortless grace and class as well as huge length on the moderately austere finish. This is as good a young Grivot Beaux Monts as I can ever remember seeing. 94 Points, Drink 2021+. Burghound

2009 Clos de Vougeot Grand Cru

\$279 per bottle

A discreet touch of wood spice adds aromatic breadth to the earthy and reserved red berry fruit nose that also offers up a suggestion of the sauvage that carries over to the rich, powerful and admirably concentrated big-bodied flavors that culminate in an impressively long, energetic and youthfully austere finish. This is a big and muscular but not rustic example that will require plenty of cellar time. 95 Points, Drink 2024+. Burghound

2009 Echezeaux Grand Cru

\$329 per bottle

An exuberantly spicy nose of wonderfully seductive black fruit liqueur aromas leads to rich, suave, pure and dense flavors that are a highly beguiling blend of finesse and power, all wrapped in a robust yet finely detailed finish of stunning length. This is one of the very best examples of the appellation in 2009. 95 Points, Drink 2024+. Burghound
